

315

A technical line drawing of a kitchen faucet. The drawing shows a side profile of the faucet. It features a curved spout on the left, a central vertical stem, and a lever handle on the right. Dimension lines with arrows indicate the following measurements: a total height of 315 units from the base to the top of the spout; a height of 255 units from the base to the start of the spout's curve; a width of 202 units from the base to the right edge of the faucet body; and a height of 142 units for the lever handle.
